# The Butterfly Charities

*Peace and tranquility has taken wings and landed right here at the Jersey Shore. Visit this fairy tale garden where over 100 live beautiful butterflies "dance" to classical music and the sounds of the enchanting waterfalls. Marvel at the many native species of butterflies fluttering on fragrant blossoms through out this tropical paradise.*

*Our staff of volunteers can answer questions and provide tips on how to attract these gentle creatures to your garden.*

*The Jersey Shore's only Non-profit Butterfly Sanctuary is THE attraction to see at the Jersey Shore every summer. So don't be left out of the fun! Join the thousands of visitors that will take their turn enjoying this marvelous exhibit.*

*All profits go to charity. It may be Breast Cancer, Camp Quality, a summer camp for kids with Cancer, the Childhood Leukemia foundation, to help the Homeless, the Starving, our troops over seas and our Veterans right here. We can help them all! By giving to them and their cause it creates a natural high, your spirits float higher than ever before, like a butterfly, and like the butterfly you too can make a difference.*
